Dear Parents and Person(s) in Parental Relation:

The West Seneca Central School District supports New York State in their recognition of the importance of medical supervision and the need for annual preventive physical examinations. In addition, the district recognizes the strong connection in academic achievement and physical, emotional and medical wellness.

PLEASE NOTE:

New York State mandates physical examinations for:

- Students attending grades Kindergarten, 2nd, 4th, 7th and 10th grade.
- Students transferring into the West Seneca Central School District.
- Students with disabilities are required to have an examination every three years.
- The physical exam must be done within the last 12 months of the student entering school.
- Sport physicals must be done annually.

Area physicians have designed a universal form to assist in streamlining the physical examination reporting system. ***This universal form will be acceptable for both the mandated physical and sport physical.*** (Forms will be available in the school main and health offices, downloading it from the district website and at most physician offices).

If the physical exam is not completed, the school will work with you to schedule an exam with your own physician or will provide you an opportunity to have your child seen by the district's physician.

The district encourages you to continue good health practices by having your child receive annual preventive physicals and by collaborating with the school health office to meet the state mandates. If you should have any questions or concerns, please contact the school health office. If at any time you lose your health insurance, contact the school nurse or social worker.

Sincerely,

Charles J. Lehman
