TRANSPORTATION REQUEST
School Year 2012-2013

State Education Law provides for the transportation of all students, within established limits, including those attending non-public schools. The Cheektowaga-Sloan School District surpasses minimum state walking distance mandates to help safeguard our students. Students are expected to walk a moderate distance, usually less than one-quarter mile, to and from a corner bus stop. Therefore, a house stop should not be expected.

Funds are appropriated as part of the school district budget. This is in addition to textbook, computer software, library materials, health and psychological services provided to private, parochial and charter school pupils residing in the Cheektowaga-Sloan School District.

To comply with State Education Law you must submit this request form for transportation services. Mail to: **CHEEKTOWAGA-SLOAN UFSD, 166 HALSTEAD AVE., SLOAN, NY 14212** no later than April 1, 2012. Or, you may fax this form to (716) 891-6435. The filing of a late request may result in denial of transportation services.

SPECIAL NOTE: Transportation requests must be renewed each year you require bus service for your child/children.
