

Bottles for Babies Campaign

Queen of Heaven's Lenten project this year is raising money for Harvest House. Harvest House is located in South Buffalo and has helped over 5,000 children in the past year. Babies and children were provided with much needed clothes, layette items, car seats, strollers, and baby furniture.

A baby bottle will be in each homeroom to accept donations for Harvest House. Please bring in your pennies, nickels, dimes, and quarters to fill the bottles.

This project begins February 8st, and ends March 30th. Last year we were a top participating school. Let's be one again! Thank you in advance for helping these children.

"Whoever receives one such child in my name receives Me"
