

Hello Future 3rd Grader!

My name is Miss Quinn and I will be your math teacher this upcoming school year! I cannot wait to have you in class. In the meantime, I hope you are enjoying your break with family and friends.

I have attached a small packet for review of your second grade math skills. You will find addition, subtraction, telling time, and place value practice. Please just try your best. It is best to spread the work out over the course of the summer.

I will be collecting your packet once you return to school. The packet will be due on Monday, September 11th.

See you soon,
Miss Quinn
