Dear Incoming 2nd Graders,

Below is a list of great books for you to start reading to get ready for Second Grade. Please pick books based on your child's reading level at the end of First Grade (Should be listed on his or her report card). When you pick a book, make sure the story is just right for you to read. If you cannot read 3 or more words on the page, the book is too hard for you. These are just reading suggestions for you! If there are any other books at home that you enjoy reading, feel free to add them to your summer reading log! They do not have to be from the following list of suggestions:

- "I Can Read" Level 1 to 3 Series (for Early Readers and beyond)
- Laura Numeroff Books (ie. If you give a Mouse a Cookie)
- Pete the Cat
- Elephant and Piggie (F-I)
- Fly Guy (I-P)
- Dixie (the dog) (I/J)
- Henry and Mudge (J)
- Mercy Watson (K)
- Pig the Pug Books (K/L)
- The Princess in Black (L)
- Judy Moody (M)
- Ivy + Bean (M)
- Magic Tree House (M)

Happy Reading! We will see you in the Fall!

Additional things to work on over the summer:

1. Please continue to review your math facts (addition and subtraction). We will start the year off with a review of topics learned in first grade, so it is important that you keep practicing your skills!
2. Work on writing and letter sounds! Keep practicing your name and letters! You can practice writing the sight words from above, or have an adult say a word, and you can sound/write it out!
