

Middle School Parents,

As part of ELA class, students will be required to purchase our class novels on their own this year. Not only will this encourage responsibility and ownership, but it will allow for annotations and highlighting to be made directly in their own personal books. Having the opportunity to foster this skill in middle school will only increase their success into highschool and beyond. The following are the book titles and authors required for each grade level novel. I have also included amazon links for direct purchase to make things as easy as possible (But feel free to purchase wherever!). If you have any questions, please let me know.

Thank you,  
Mrs. Gallegos
