Math Supplies

- 1 red 2 ½ - 3 inch binder
 - 1 package of 8 binder dividers
 - 1 red folder (for WIP and take home folder used for math only)
 - Loose leaf paper - 1 pack to be left in class
 - Graph paper with three holes to fit in binder - 1 pack to be left in class
 - Pencils and erasers (will need many, to be replenished throughout the year)
 - Red pen for correcting (will need to be replenished throughout the year)
 - Highlighter
 - 1 package (6-8) dry erase markers, wide or bullet tip, variety of colors, to be left in the classroom and used throughout the year
 - Scientific calculator - Texas Instrument TI-30XIIS. I have a classroom set of calculators for the students to use at school. The calculators will stay in school but will be available to use during class. It is much easier for every student to learn if everyone in the class has the same calculator. It is also important to have a calculator that NYS will allow. We decided to use the Texas Instrument TI-30XIIS. I recommend using this calculator at home as well. I know this calculator is available for purchase on amazon for under \$12. We will not use this calculator until half way through the year.
 - Math workbook that is supplied by Q of H
-
