February 1, 2021

Hello

Attached is a copy of our Non Public and Charter School Transportation Form for the 2021-2022 academic school year. This form must be completed annually by parents of children who attend these schools and reside in Cheektowaga Central School District. **The form must be returned to our Transportation Office by April 1, 2021.** Per NYS Law, forms received after April 1, 2021 are not guaranteed approval and therefore may be denied. This applies even if you have been a district resident for many years. Also, please be advised that transportation will only be provided at the normally scheduled start and end times. No deviations will be honored, e.g. early dismissals, late dismissals, late arrivals, exam schedules, etc. We do not transport students when Cheektowaga Central Schools are closed.

Parents of kindergarten students and families that have recently moved to our District must register with the District. Please call Sherri Weinholtz, the District Registrar, at (716) 686-3665 to schedule an appointment, if this applies to you.

All returning families are required to provide two updated proofs of residence annually. Please attach valid proofs to the transportation form before returning it to us. A separate transportation form is required for each student attending a Non Public/Charter School and for whom the parent/guardian is requesting transportation. Additional copies of this form may be accessed on our website at www.cheektowagak12.org or by calling us at (716) 686-3612.

We have added an additional Alternate Transportation check box to the application. If a student will be going to a daycare before and/or after school, parents are asked to complete the Alternate Transportation Request Form as well. This form is available on our website. The daycare must be located within the Cheektowaga School District boundaries.

In accordance with the policy of Cheektowaga Central's Board of Education, transportation will not be provided on days when Cheektowaga Central is not in session. This includes holidays, school recesses, District Staff Development Days and those instances when Cheektowaga Central is not open due to inclement weather. If you have any questions, please call me at (716) 686-3612.

Sincerely,

Christine Grabowski
Transportation Secretary
