

Lancaster Residents:

The Lancaster Central School District partners with the Lancaster branch of the Buffalo-Niagara YMCA throughout the school year to provide before and after school childcare within our school buildings.

Pursuant to the Governor's Executive Order 202.4, the district is using its existing partnership with the YMCA to inform you of this childcare opportunity.

The Southtowns Family YMCA and Independent Health Family YMCA branches are offering childcare opportunities to Lancaster CSD residents who are essential health care workers and first responders.

At this time, this is only open to those who are essential healthcare workers and first responders since this is an attempt at helping those on the front lines of this public health crisis.

Eligible families interested in this program may contact the following:
